## **CONDITIONS OF SALE.**

**Please read Sale Terms Before Bidding.**

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

**Important Notice.** We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

## Special Notice to New Bidders.

---

New bidders, bidding for the first time, must either send us a cash deposit of 20 % of their bids, or else a gilt-edged reference. Society membership don't count with us, or guarantee anything. Send us something else. A cash deposit will insure a newcomer's bids being executed. Any not used will be promptly returned after the sale.

Read over the sale terms before bidding. New bidders we find sometimes completely ignore sale contracts, and they are contracts also. We will not allow lots to be returned from this sale unless we grant permission in writing to do so, and all bids are accepted **subject to printed sale terms**. We are the judges of all disputes.

At every sale somebody bids on the wrong lots and refuses to take up his lots, and lambasts us for buying the lots for him, all of which is unethical and unfair to us. Continuous complaints from a bidder means we will be obliged to take his name off our mailing list. One collector out in Washington, at our last sale, returned a rare quarter dollar, saying it was "only very fine." Well, the coin was described as only "very fine." He went off our mailing list of course. We use pains in describing lots and feel our judgment is as good as anyones, nevertheless we cannot cater to the whims of a few collectors who use extra high-powered glasses in a search for minor defects. A glass can be altogether "**too good.**" Coins are catalogued by the naked eye as they should be.

Kindly attend the sale if possible. If not, then send us some bids as there is a great variety of offerings in this sale, and one of the largest collections of Commemorative Half Dollars we have ever offered. This is our last sale until September, so take advantage of our offerings. Send in your bid sheets early. Write Mr. Elder if you wish advice as to what to bid on any lot in the sale.
